Congratulations on your award at the Experience Rosé Wine Competition (formerly Rosé Today), produced by Wine Competitions Management & Production.

Enclosed please find your gold + and/or silver medal(s). Be reminded that only winners of silver awards and higher receive actual medals. If your wine took a bronze, we would be pleased to furnish you with a link to a bronze medal Achievement in Winemaking Certificate that you may download on request.

As you know, the Experience Rosé judging seeks the very best in dry, a little sweet and sparkling styles that pair quality winemaking with the passion for rosé and its infinite possibilities. This event is committed to the highest standards of competition.

We are pleased to provide you with a list of your award-winners below. A notation will appear if none of your submissions took medals.
