Dear Club Members,

Thank you for the pickups this October. Now that it is November, the shipping commences!

This fall we will still honor 6 PACK \$10 FLAT SHIPPING RATE. (Next spring in 2022, due to great increases in shipping, packaging and glass costs,

6 pack flat shipping rate will change to \$22.)

This fall we will continue

**SPECIAL COMPLIMENTARY SHIPPING for 12 PACKS so add on ANY wines to your club 6 to get to 12!**

**NOTE:**

IF you need to add on wine to your 6 pack either by doubling the club wines or adding other wines from the list, please contact us with a clear request to make a 12 pack ASAP as we start on 12 packs 1st.

Please understand that these are 1 time attempts. If the box is redirected back to the tasting room, we will refund the wine cost minus the original delivery charge and return charges both of which are considerable.

We thank you for understanding.

IF you need to update your payment information email ASAP. Remember, the cc number, the cvv, the expiration AND the billing zipcode are all required.

IF you need to update your address email ASAP.

All remaining club member wines will be shipped this November before Thanksgiving if possible.

Please be patient. We want you to have the wine and will make our best effort.
