

SALES ONLY

As we watch the alarming rise in COVID case numbers in Michigan and in the surrounding states from which most tourist visitors originate, Laurentide has decided to cease all table service effective immediately. Concurrently, we have turned off online reservations for tasting at our tables.

Safety is and will be our policy.

This announcement reverses an imminent change from outdoor to indoor tasting which we feel cannot at this time be kept to a reasonably low enough exposure risk even with all our best procedures in place. We enact these changes with heavy hearts but know doing this is the right thing. Our self-imposed restrictions are for the benefit of our staff and customers and hope our effort will be one of many to stem the wave of COVID infections this winter.

On a happier note, there are several ways to support Laurentide and receive our award-winning wine:

1. Please continue to use our **ONLINE CLICK AND PICKUP** button to place prepaid orders that can be delivered to your vehicle in the parking lot at a time of your choice. This is the safest contactless option. Cheese picnic packs are available for pickup. Check out the menu online soon!
2. **RETAIL WALK IN WINE SALES** inside the tasting room are still available in a socially distanced, masked environment. Order wine at our checkout counter to get it boxed up to take home. Cheese and cracker packs are available to go. Just ask for a recommendation for your stay at home picnic!
3. Shop our **BUY WINE ONLINE** site to have wine shipped to you in 38+ states. Check out our rotating case specials!

We fervently hope that we can move back to wine flights, wine by the glass or bottle and cheese flights soon at our lovely tables and return to our highly successful table reservation system. Until then, enjoy Laurentide at home and stay safe. We have so enjoyed all the patronage this fall and deeply appreciate your support. The whole family and staff look forward to a healthier season to come. Please note our hours and days open and policies are subject to change without notice. Keep up to date on our website, FB or Google.

Thank you
Susan and Bill Braymer
